TO: Ross McGill

FROM: John Malone

DATE: February 22, 1984

RE: Ronald Strauss
Committee Member
306 S.W. 79th Way
North Lauderdale, FL 33068

It is my understanding Mr. Strauss was arrested and charged on or about February 2, 1984 with:

Indecent Exposure
Child Molestation

by the North Lauderdale Police Department. The case has been assigned and Detective Bill Hill (722-5800) is investigating and is our contact.

The following action has been taken according to Lighthouse District Executive, Clifford J. Nolan:

1. Committee Chairman, Albert Siffern, 721-3564, and Cubmaster, Edward Wilson, 721-8943, met with Mr. Strauss and asked for his resignation, effective immediately, and to cease any activities with and on behalf of Cub Scout Pack 267.
2. Mr. Nolan talked with Stan Hoff, Lighthouse A.D.C., and potential Jewish Committee member and informed him of Mr. Strauss's actions. Nolan also warned Hoff not to have Strauss involved in any Scouting activities or functions until the judicial system had completed its process, particularly at Temple Beth Torah, a new sponsor of a Cub Scout pack.

John Malone, Director of Field Service, talked with Clifford Nolan on February 21 and made the following requests of Nolan:

1. Call or visit with Det. Hill and secure full details on the status of the proceedings including: all specific charges, case number, investigating officers. Also, instructed Nolan to be of whatever service to the police department possible. Document his conversation with Det. Hill.
2. Have Committee Chairman send Strauss a letter, receipt requested, suspending and/or terminating his involvement with Cub Scout Pack 267 and copy the letter to S.C., District Chairman and D.E.

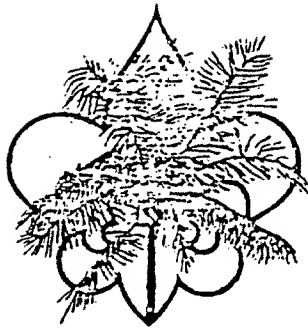

CONF001402

DYKES_I_001392

3. Call Stan Hoff again, review the entire situation on Strauss and make very specific recommendations to him to keep Strauss out of the new Cub pack. Document the entire conversation and put in memo form to D.F.S.
4. Call institutional head, Willie Latson, Morrow Elementary School and brief him on the entire situation and all actions being taken and actions that have been taken. Document the conversation and put in memo form to D.F.C.

Additional recommendations are as follows:

1. Council President send official letter, receipt requested, to Mr. Strauss suspending him from any Scouting action until the judicial system has been completed and the S.F.C. is positive Mr. Strauss meets it's leadership standard.
2. John Malone forwards to the National Statistical and Membership Department the history of this case for their review and imput.

RETURN RECEIPT REQUESTED

February 28, 1984

Mr. Ronald Strauss
306 S.W. 79th Way
North Lauderdale, FL 33068

Dear Mr. Strauss:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Clinton M. Hamilton
President
